- Practice schedule
  - BU10 – Monday 5:30, Fri 5:30
  - GU10 – Wednesday 3:30, Thurs 5:30
  - U6 – Wed 4:45
  - U8 – Wed 5:30
- 4/6 first game, fields may be ready
- Set up fields, especially 6v6 as we have home game on 4/6. Probably do it right before the season starts on 4/6
  - David will Check if paint is good
  - Have tape, string
- Goals are in for U12, 8v8. Need to be set up. Lock face to face with combination lock. Will figure out where to be stored when not in use.
- Cancelling game 2 hrs before the game if field is closed. Recreation has given us the authority to make that decision. Check field status on NV web site. Courtesy to call visiting coach. At U10 and above, discuss rescheduling of that

game. Ensure field is available for that timeframe, as well as refs. Get approval by Age Director. Want at least 3 days advance notice. Emails should copy Becki and Age Director. Referee calls due to thunder/lightning, pools of water, unsafe goals, etc, any safety issue. Maybe hold game for 20minutes while lightening pass.

- No jewelry. Must remove all earrings, even if new/studs.
- Must be true soccer cleats. Can't have front center toe cleats.
- Need shin guards, under socks
- Mouth guards optional
- Parents need to sit 3 feet back from touch line
- Coaches need to take it easy when team is up by six
- Dee has uniforms
- Ensure players are wearing complete uniform, including socks. Referee utilizes info to see who kicked last, out of bounds. Get players/parents used to this at younger age.
- Only those registered can play. For insurance, them and us, we can't allow them to play. Puts everyone at risk, liability wise.
- All coaches need to sign Coaches Pledge
- If Referee issues, let Becki know and she can follow up with Ref Director
